FOR SALE—REAL ESTATE

REAL ESTATE-IMPROVED

you can place such an amount of money and have such a safe and steady income.

A party located north of Brigham City wants to trade his 350-acre farm on which he has been living for 20 years for Salt Lake City rental property. The farm is cheap at \$15,000. Incumbrance, \$2000. Improvements as follows: It is all teneed, has a good, substantial 6-room residence, large barn and a store building used now for mercantile purposes, six head of brood mares and six head of milk now, wagons, besides a thousand dollars' worth of farm implements, scale. The present owner weighs grain, hay, etc., for the farmers in the neighborhood. There are 400 bearing fruit trees on this place and ten acres in alfalfa, 16 acres can be irrigated, the balance is dry farming, 100 acres are now in wheat and 100 acres ready for spring sowing and the remaining acres are pasturage. The present owner does quite a little mercantile business right there and all will go in a trade except the stock in the store. What have you to offer?

\$1275, \$200 cash, balance easy monthly payments, for a splendid 3-room house, adobe lined: this house is in first-class shape in and outside. The lot 50 by about 140 feet, 40 fruit trees and is located near lith South and lith East. Be quick, \$150—Why not buy this 8-room modern two-stock brick, 662 Second ave. The offer a splendid at \$1000 per rod, leaving a margin of only \$1250 for a home which could not be built turies than the price asked for all. There is a new furnace in the house, sewer connection and gas, all special assessments are paid in full, such as paving, curbing, sewer and sidewalk; even at a monthly rental of \$30 it would bring 8 per cent interest on the money invested. The house has just been vacated today. Look it over: it certainly is a bargain.

We write fire insurance.

What I have listed before buying!!!

I am offering
A business block for \$20,000.

It is a two-story brick in good condition. It is leased to a responsible tenant for five years at \$165 per menth, bringing now \$ per cent net on money invested. Suppose property values increase only 10 per cent in the next five years—and you can depend on it that the increase will be greater—your money invested would have earned 10 per cent net. Think it over It is better than mortgage loans or anything else in which you can place such an amount of money and have such a safe and steady income.

bargain. We write fire insurance
